Dear D. Clarke -

Enclosed please find
my resignation. I have
been a teacher for many
years but I think the
time has come for me
to give way to others.

Can you tell me if
I receive any sort of
retiring allowance as

a former member of
Dunth Medical Corpora-
tion & does my income
from the University
Case with my resignation

Went a number of Dunth
& Dunth men in success-
ful practice here -
Notably - Dr. Wm. Shannon
Dr. Holmes Dr. R. C. S. Eng &
Dr. Stubbs - They have a
fine State University
but no Medical Faculty

I am working hard - too
hard I think sometimes
for my health - at Red

Good work - for the
American Red Cross
speaking once a day
& sometimes twice -
I had a wonderful
meeting of the Faculty
& Students of Washington
State University a short
time ago - About 2500
present. I have been
very cordially received
as a Canadian. I

am going to Long Cali-
fornia for the Air Red
bus - Starting May 1st.

My wife, for whose health
I came to the Pacific
Coast - is improving.

I am looking forward to
returning home in September
but it all depends on
Mrs R's health

With kind regards

Yours sincerely

Stanley Coxon
